Luscious Custard Banana Pudding

5 lbs bananas

5 cups milk

3 small packages instant vanilla pudding

8 oz. carton sour cream

1 large tub of Cool Whip

1 box of Vanilla Wafers

Cut bananas into slices with a plastic knife to keep them from turning brown so quickly. Combine milk, pudding mix and sour cream. Mix until smooth. Add 1/2 of the Cool Whip to the pudding and mix until smooth. Into your container....you can use a 9 x 13, individual cups, individual mason jars or several disposable plastic bowls to give away as gifts.....layer pudding, bananas and wafers till your container is full. You may top with remaining Cool Whip and crushed left over wafers if desired. Serves a lot.....maybe 12.
