Shared by:
Lorie White

Ingredients:

2 bags of white, mint-flavored wedding candy (found at the local craft store)
4-5 peppermint sticks or candies
zip-top bag

Directions:

1. Pour mint candy into a microwave safe bowl and microwave until melted, approximately 1-2 minutes.
2. Add peppermint sticks or candies to zip-top bag and lightly crush into medium sized pieces.
3. When candy is melted, stir in the crushed peppermint.
4. Cover a cookie sheet with wax paper and pour mixture onto cookie sheet. Let set until firm. (Can be put in the refrigerator for faster setting time.)
5. Once firm, break up into bite-sized pieces and serve. Or place in holiday-themed gift sacks for friends and family. Store remaining pieces in an airtight container or zip-top bag.
